Hi Walter, Grant,

Please see attached the Transcript (DRAFT) from the Riverhead (Dec 8) meeting (as pdf and MS WORD). Please review (1) your presentation, as well as (2) your responses to comments during the Discussion, and identify spelling errors. The audio recording is uploaded to the SharePoint Site under **TASK 1/Public Mtgs/Public Mtg 5+6**, in case you want to verify questions on content and specific factual issues; Jim has access to the site. Please remember that this is a transcript, thus it needs to reflect what was actually said in the way it was said (I know you know this of course).

Please use the attached MS WORD version with track-changes; don't worry if the page or line breaks gets messed up a bit (the edited WORD version will be used by the stenographer to import edits to his *own* MASTER version). I will review the other parts of the transcript once you are done, and return it to the stenographer for a revised version. I hope you can do this this week; please advise.

I expect the second transcript (New London Mtg) by December 23.

Thanks,

Bernward.
